Dear Parents and Carers

New Headteacher Appointment

The Governors and Local Authority are pleased to announce that Mrs Joy has been appointed as the new Headteacher of Redland School as from 1st Sept 2018. The decision was unanimous across the recruitment Selection Panel and Local Authority Leadership Team, which resulted in the appointment being ratified by the Full Governing body on Wednesday evening.

The recruitment process has been both rigorous, demanding and fair to all candidates. Our aim was always to recruit the most capable and suitable leader to support and inspire your children, whilst managing an experienced and successful group of talented teachers and staff. This has proved to be a considerable lengthy process and has extended beyond our initial expectations. However, we feel that the right person to meet your expectations has been selected and has demonstrated all the necessary qualities to continue the success of Redland School.

The new position will commence for Mrs Joy in September so we would like to assure all Parents of Falcons class that the current teaching arrangements will continue with Mrs Joy until the end of the academic year.

Mr Smith will continue to perform his role as joint Acting Headteacher up until the end of the summer term and the Governors would like to take this opportunity to express our sincere gratitude for all Mr Smith's professional leadership and support over the last 13 months.

I am sure you will join the staff and Governors in congratulating Mrs Joy in being successful in her new position and provide her with all the goodwill and support necessary to lead the school from the new academic year and beyond.

Yours sincerely,

Chairman of Governors
