Music Event

The children in Buzzards Class took part in a music event earlier this week in John Coles Park. The event was a celebration of music through the decades, involving children from different schools. All of the school children sang a sea shanty together plus an individual school performance. Buzzards Class were given the 1930s, and chose to sing Somewhere Over The Rainbow. The children sang beautifully, and their conduct and behaviour throughout was exemplary. This was commented on by staff and parents. Brilliant work, Buzzards Class!

Here are some comments from the children:

"I enjoyed it. All the different schools there worked well together to sing the Sea Shanty of 2022."
Ollie A

"We were the first school to sing. I was a bit nervous, but it went very well."
Ryan B

"I was very nervous, but when we started singing, I felt more confident. We looked very smart, and our singing included harmonies."
Eleanor P-F

A message from the Headteacher

School remains a busy place, with lots of different events taking place in this final term. The children in Kingfishers and Falcons classes performed brilliantly in their production, "Shakespeare Rocks." They performed to the school on Monday morning, and then to parents and family members on Monday and Tuesday evening. This was the first performance with an audience in school since December 2019, and what a memorable one it was! Well done to everyone for all the hard work they put into creating this.

Last Friday's Summer Fayre was a huge success, raising a record **£4053** ! Thank you to everyone, parents and staff, for supporting this event and of course a huge thank you to the FORS team for all of the work they put into organising and running such an enjoyable and successful fayre.

Have a good weekend.

Best wishes,
Mrs Joy

Parking

A polite reminder to please park considerately by our school around school drop off and pick up times. Families are encouraged to walk children to school where possible to help to reduce congestion.

When parked, please could car engines be **switched off**, and not left running, as this causes unnecessary fumes to build up next to the pavements where children are walking to and from school. Thank you.
