

Redland School 2 year Topic Overview:

Over 2 years (12 terms) we have agreed that the focus for the topics will be as follows:

3 History focus topics, 3 Geography focus topics, 2 Art focus topics (1 each year) and 2 DT focus topic (1 each year). There will also be 1 topic each year which relates to a whole school initiative or focus.

Science, PSHE, Computing and RE are taught discreetly, each following a whole school SOW. Music and MFL (French) are taught discreetly by specialist teachers. PE is taught either by a specialist teacher OR using the PE scheme of work.
