Year 6 SATs Tests: 13th – 16th May

Our Year 6 children will be taking their SATs tests next week. The children have been working hard in their learning groups and are very much ready to take these on! It is really important that all Year 6s are in school during this week.

Thank you to our kitchen staff, who will be preparing a delicious breakfast each morning for the children, and thank you to the FORS for funding this. We think it is important that the Year 6s have an opportunity to spend some time together socially, in a relaxed way before embarking on the tests each morning. We will also be ensuring they have some treats at the end of the week to say well done for all their hard work!

Sunny Weather

Now that we have moved into a spell of warmer weather, please can you ensure that children have sun cream applied, sun hats and a filled water bottle each day. Thank you.

TD Days for 2024-2025

A quick reminder that we have planned the following TD days for next academic year. These are staff training days when the school will be closed to pupils:

Monday 2nd September 2024

Monday 6th January 2025

Monday 9th June 2025

Wednesday 23rd July 2025

Thursday 24th July 2025

A message from the Headteacher

We are all enjoying the sunnier weather that we have seen this week, and the heat did not stop us having Hot Chocolate Friday today! Well done to the following children who were nominated:

Marnye C, Hunter D, George P, Eleanor B, Evie-Rose N, Mia H and Maiya M. Well done everyone!

This week, some of our Year 4 children have been away at Grittleton on a residential trip. I visited the group yesterday, and they were all having such a brilliant time. More information about their exciting trip will follow in next week's newsletter.

Have a good weekend

Best wishes

Mrs Joy

Board Games Designs – Buzzards and Hawks

Children from Buzzards and Hawks classes created their own board games this week, as part of a mini DT project.

"We were asked to go into groups of 3 or 4, and then we decided our games category. The one my group created was called Football Fiasco. We used cardboard and tape to create a board, and afterwards we decorated it. When we finished, we swapped over and played other people's games. Overall, I thought it all worked out very well!
