Girls' Football Tournament

On Monday, the girls' football team took part in a final event at Sheldon, where schools competed for a 'cup' or a 'plate'. The girls played so well, showing excellent skills, commitment and teamwork. The team won all of their matches, and were presented with the Girls Football Plate for 2026. Congratulations!

Team: Emily G (captain), Annabelle B, Lilly C, Darcie S, Elsie G, Marnie M, Eva G & Scarlett B

Cricket Tournament

Last Friday, 10 Year 5s competed in the cricket tournament at Chippenham Sports Club. The children played 3 matches before the semi-final game was called off due to the rain. Despite the weather, the children played incredibly well. They showed great teamwork, supported one another and were so respectful of the other teams, who were very tough competition! Most importantly, they had lots of fun! Thank you to the parents and carers who came to watch and cheer them on too.

**Well done to:
Lilly C, Annabelle B,
Scarlett B, Evie J,
Jessica K, Darcy G,
Rory E, Henry T,
Daniel B & Rufus B**

A message from the Headteacher

It has been a very busy final week of term! The Year 6 children and staff had a wonderful time on the Leavers' Trip to Thorpe Park on Monday. Tuesday saw Wrens and Owls visiting Fairfield Animal Centre, and Hawks Class visiting Gardners Farm. You can read more about these below.

It was a shame that we had to postpone Sports' Day this week, but we look forward to the new date – **Wednesday 3rd June.**

The FORS have done another amazing job organising last night's discos. Thank you for supporting this event, and to all the volunteers who helped out.

I hope you all have an enjoyable and relaxing holiday, and I look forward to seeing everyone on Tuesday 2nd June.

Best Wishes
Mrs Joy

Wrens and Owls Visit to Fairfield Animal Centre

On Tuesday, Wrens and Owls visited Fairfield Animal Centre in Trowbridge. The children had a great time petting lambs, rabbits and guinea pigs. We also saw goats, llamas and chickens, and learned all about the different animals. We explored the woodland area and even had time to play in the park! Have a look at the photos below. **"I liked seeing the animals. They were very cute. The peacock looked like it was playing tag!" Cleo**

Hawks visit to Gardners Farm

The children in Hawks Class had a fantastic morning at Gardners Farm in Hullavington, as part of the work they are doing with the Kingfisher Award Scheme. The scheme provides children with the opportunity to visit local farms, explore the natural environment, and learn about wildlife and agriculture. During the morning, the children were able to see how a dairy farm runs, and got close to the calves and cows. The children made their own butter which they then tasted with some bread.
