Primary School Applications for 2021

You can apply for primary school places online at <http://www.wiltshire.gov.uk/schools-learning-admissions-applying>

The deadline for primary school applications is 15th January. We will soon be posting a virtual tour of our school on the website.

Primary Futures Webinar

On Monday, the Year 6 children in Kingfishers and Falcons classes participated in a live webinar organised by Primary Futures. The children were able to ask questions to a panel of employees from the aviation industry. They all learnt a lot about the variety of job roles in this sector and what their career paths looked like. Here are some quotes from the classes:

Tayyib- I really enjoyed finding out exactly what the type of jobs are. It really interested me!

Abbie - I love the fact it shows us all the options open to us. We didn't necessarily know that before the talk.

Ben - I liked how we got to guess the jobs of the people by what they were wearing.

Ms Hull - It was great that all the speakers were clear on the routes they took to get to their chosen career.

We are continuing our partnership with Primary Futures with a view to promoting different career pathways and raising aspirations for all children.

School Photographs

The children will be having individual photographs next Monday 9th November. Unfortunately, we will not be able to facilitate sibling photos in school at this time. Thank you for your understanding with this.

A message from the Headteacher

Welcome back to Term 2. Our week started off with a fantastic careers webinar for our Year 6 children, with employees from the aviation industry. We are hoping to host some more careers-linked talks for our children in different year groups over the coming months.

Our parents' meetings will be taking place next week over the phone. Please make sure you have booked an appointment via the link which was sent out. If you have any problems accessing this, please call the office.

Schools remain open during the new national lockdown, and we will continue to work hard as a community to minimise the risk of infection. Our updated risk assessment can be viewed on our website homepage.

Finally, have a look at our wonderful display at the end of the newsletter. Each child created their own rainbow design with a picture of themselves inside, to celebrate being back together as a school. We wanted to share this with you all!

Have a good weekend.

Best Wishes

Mrs Joy

Congratulations to Miss James

Some lovely news – Miss James had a baby boy, called Finley, in October. We all send her our very best wishes.

FORS NEWS

Redland Rainbow Hamper Raffle

Thank you very much for all of the lovely donations received today for the Rainbow Hamper raffle. We cannot wait to make up the hampers and share the pictures with you. We will arrange for a book of five raffle tickets to be sent home with each child soon. If you wish to buy the tickets, they can be returned by your children and posted into the designated box in each classroom before the draw is made towards the end of term.

Christmas fundraising

Please look out for a leaflet in your child's book bag next week, which will include your unique log in to access your child's Christmas card design, on the My Child's Art website. Please keep your leaflet safe, as the code is unique to your child and you will need it to access your portal. Please also ensure that you carefully check your child's details before you complete any orders, in case of any spelling mistakes etc, as these details may be printed on some of the items available to order. The children have created some absolutely fantastic designs, which can be used to personalise gifts as well as cards. We can't wait for you to see them!
